

Listing ID: 1153

Company Name: Power Wash Carpet Cleaning

Description: * Advanced Steam Carpet Cleaning Equipment* Eco Green Carpet Cleaning, Child and Pet Safe* Quality Carpet Cleaning Service at Great Prices* High Heat Steam Cleaning Hybrid Truck Mount
Proudly serving the carpet cleaning antelope valley service needs of Palmdale, Lancaster, Acton, San Fernando Valley and surrounding areas.
How does our Deep Steam Cleaning Service make us different?
Cleaning agents that are packed with power and boosters yet still giving you powerful green carpet cleaning along with heat steam carpet cleaning that just shreds through dirt, grease, grime and traffic areas! Not all carpet cleaning service have this consistent heat steam carpet cleaning that kills odor causing bacteria, dust mites, etc... We do have this type of steam carpet cleaning service. Couple that with the Rotovac rotary green carpet cleaning extraction machine that cleans with 750 multi directional steam carpet cleaning passes that is recognized as one of the best carpet steam cleanings.
